MRS. JOHN C. BALIS.

A Brief Tribute to a Devoted Wife and Mother.

A great loss has been sustained by the community in the death of Mrs. Balis, whose funeral was held from Holy Trinity Episcopal Church yesterday morning at 10:30 o'clock, and was attended by a large gathering of friends and neighbors, the floral tributes from the church societies and friends being a beautiful testimonial of the esteem in which she was held.

Mrs. Nellie M. Balis was born in Utica, N. Y., and was in her 58th year at the time of her death. She was married December 1st, 1889, to Mr. John C. Balis of Oriskany, N. Y., who survives her with two daughters, Misses Florence and Grace. She was educated at Willard's Female Seminary and there developed the talent which made her one of the best known musicians in this section of the State during her young years.

A few days before Mrs. Balis' word was received of the death of her brother in New York, but owing to a critical condition she was not able to go of it, and died without knowing he had gone before. The only member of her immediate family, her brother who lives in St. Louis.

She will be greatly missed by a large number of friends to whom she had endeared herself by her kindly eyes and her invincibly cheerful disposition. The bereaved family has the sympathy of the whole community.

TRoubles.

What to Do to Dig Sweet Potatoes in this Section.

One business man made a contract for a quantity of sweet potatoes, but the potatoes were not in the ground and he was unable to get a man to dig them, in order to pay.

He called on one of our distinguished African citizens to do the work, and he sent a mule to assist the man to do work, as he says, at 6 o'clock in the morning. He labored very hard until 5 o'clock in the afternoon when he brought the sweet potatoes that had hired him, there were a mel and little over a half bushel. He said he had kept the potatoes in payment of the work, which he delivered for \$1.50 for his labor.

As for the other way out of it, the man and the laborer went to the feeling that he was working for nothing. If you want to know more about farming, send for particulars.

Keep Your Head Clear

And your stomach free from indigestion if you would be happy with your family and your fellow-man.

The surest thing on earth to get a man's system "out of whack" is heavy, soggy bread, which is caused by several reasons: First, the material may not be good; second, the cooking may be poor. The best flour in the world will make the heaviest bread if improperly mixed or cooked. WE USE THE BEST FLOUR and our "long suit" is knowing how to mix and bake it. Our bread does not cost any more than home-made, and in many instances it is so much more palatable.
